

MRS A V N  
COLLEGE

VISAKHAPATNAM

ANNUAL REPORT  
2019-20

**Mrs A V N College, Visakhapatnam**

**Principal's Annual Report 2019-2020**

Mrs. A. V. N. College, Visakhapatnam is an age-old institution in India founded by the late Sri. Ankitham Venkata Narasingarao in 1860, with a cause to help the deprived in educating their

children. The college has been functioning under the chairmanship of the Collector and District Magistrate (at present Dr.A Mallikharjuna, IAS) since its inception. Mrs.A.V.N.College is an A.P. government aided college, now a private college. It has been recognised under section 12(b) and 2(f) of UGC Act since the inception of University Grants Commission in 1956. The college has been reaccredited (3rd Cycle) by NAAC with "A" grade in September 2017. Many great personalities like Sir.C.V.Raman, Padmavibhushan Prof.C.R.Rao are the alumni of this institution.

Implementing effective strategies is vital to promoting quality education. These strategies aim to create a conducive learning environment and engage all stakeholders to ensure the best educational outcomes for students. Quality education imparts knowledge and skills, fosters a love for learning, and nurtures holistic development. To achieve this, educational institutions must adopt various strategies beyond traditional teaching methods. Encouraging parental involvement-Regular communication, parent-teacher conferences, and parent engagement programs facilitate a supportive learning environment. Implementing technology in the classroom-Interactive whiteboards, online resources, educational apps, and virtual simulations facilitate personalized and immersive learning, making education more engaging and effective. Promoting inclusive education-Inclusive education promotes equal opportunities for all students, regardless of their abilities, backgrounds, or circumstances. It embraces diversity, creates a welcoming and supportive environment, and ensures every student can access high-quality education.

#### **7. Institutional Future plans :** Someone has said: "The future belongs to those who believe in the beauty of their dreams" The Institution has adequate facilities for cultural

activities, sports, games (indoor, outdoor), gymnasium, yoga centre. To improve the intellectual and skill development of the students, through student-centric learning strategies. To enable the students to acquire knowledge through practical classes. To provide platforms of experiential learning to the students 4. To create an environment of collaborative learning among the students. The college has planned to take much care for the improvement of the results. The institution has decided to continue remedial coaching regularly for slow learners. The institution has decided to continue Awareness Programs frequently on Savings, AIDS, Environment, Gender issues and Social responsibilities. The institution has planned to communicate Student Progress to the Parents frequently. The college is planning to chalk out a program to improve the student strength of the college by conducting campaign. Management is keen to extend the infrastructural facilities available in the college by constructing New Class Rooms and laboratories. The college insists to organize at least one certificate course from each department.
