- \* The role of wholesalers in the phase of vegetable marketing
- \* The advantages and disadvantages by the local vegetable vendors and the outcomes they face daily
- \* The role of farmers as a backbone for this phase of vegetable marketing
- \* The improvements in the locality that may be made and the recognition of various outcomes of vegetable @ marketing

## CHAPTER 2: OVERVIEW OF THE COMMUNITY

About the Community/Village/Habitation including historical profile of the community/habitation, community diversity, traditions, ethics and values.  
Brief note on Socio-Economic conditions of the Community/Habitation.

About the Community  
M.V.P Colony is a neighbourhood in the City of Visakhapatnam the neighbourhood considered as the major residential area in the district it is located in the jurisdiction of the greater Visakhapatnam municipal Corporation, which is responsible for the civic amenities in M.V.P Colony. M.V.P Colony is located about 12 KM from Visakhapatnam airport and about 6 KM from Visakhapatnam railway station it lies to the north-west of Visakhapatnam City and is bordered by Maddilapalem to the south and Seethimadhava to the east. Gopala Patnam to the west. Maharanipeta to the south east. M.V.P Colony is well connected to most of the City by the states owned bus service.

APSRTC      Routes      Via      M.V.P Colony  
 900K      →      Bheemily → a railway station  
 14      →      Venugopal em - old post office  
 14A      →      Arilova      - old post office

Historical      Profile      of      the      Community

Visakhapatnam history goes back to the  
 sixth century BC. Its name can be found  
 in Hindu and Buddhist text that date  
 back to ancient times. M.V.P Colony has been  
 an important ward in ancient times & it  
 which will standardize the lives of the people  
 it is a well educated area which has been  
 known the best area in Visakhapatnam. M.V.P Colony  
 has been named against the name of the  
 people. The history proves that M.V.P Colony  
 has been front-line area in the city of  
 Visakhapatnam hence M.V.P Colony has named  
 for high profit citizens.

### CHAPTER 3: COMMUNITY SERVICE PART

Description of the Activities undertaken in the Community during the Community Service Project. This part could end by reflecting on what kind of values, life skills, and technical skills the student acquired.

Activities undertaken in the Community during the Community Service project

## CHAPTER 5: OUTCOMES DESCRIPTION

Details of the Socio-Economic Survey of the Village/Habitation Attach the questionnaire prepared for the survey.

The survey has been implemented successfully and the local markets in M.V.P Colony have been enquired and the culture, ethics, values of the locality have been upst the local markets said about their disadvantages they face, the support they needed and the role of the government in their daily business

Questionnaire prepared for the survey

- 1) The price of the vegetable how they fix?
- 2) The advantages they get from vegetable marketing?
- 3) How they manage their life?
- 4) How they treat the perishable goods?
- 5) How they deal with ripper vegetables?
- 6) How government aid them with facilities?
- 7) How they fix the margin?
- 8) How to deal with customers?
- 9) How they safeguard their business?
- 10) How they survive in the heavy competition?

**Describe the problems you have identified in the community**

The Community has been well established and is well managed by the Citizens of M.V.P Colony. Although it is well established there are many problems that the Community is facing with there. Includes the increased competition among the business people there has been developing and at the same time there have more and more business arising in the locality.

Due to increased business competition the rate has been reducing gradually with low profits on the other hand the prices are also during as they are in a stage of perfect competition the introduction of corporate style of has began the introduction the government has not been able to control the increased market competition as it is an unregulated market offering the problem of survival in locality the locality as the pytho

Short-term and long-term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

short term action plan Recommendation

- \* The out list the existing business and to regulate the new and upcoming business in the same locality
- \* The estimates the middlemen so as to get the vegetable at low cost so that they can gain margin
- \* The government need to takes action plan to reach the wholesales at the given path to eliminate the corporation
- \* There should be proper measures to law of the rotten vegetable and to make proper use of it
- \* there should be implementation of awareness among the customers about the healthy food.

long term action plan Recommendation

- \* The government has to regularly check the activities of the middlemen so as to test test them

**Description of the Community awareness programme/s conducted w.r.t the problems and their outcomes.**

The Community awareness programme has been an important and innovative step taken to impart communication skill within a student, which is very important for their growth. The problems are known to us we are imparted with this, and there can be solution for their problems.

The Community awareness programme brought out the problems the locality is facing due to lack of proper the locality unregulated norms there can be both short term and long term goals to bring out the solution to the problems that are being faced by the community. The outcomes are independent of the problems as the individual problems and the problem has to be dealt individually. The only solution that can bring a major change is a to be taken by the government.

## Report of the mini-project work done in the related subject w.r.t the habitation/village.

A mini-project work in the related subject w.r.t the habitation/village. (For ex., a student of Botany may do a project on Organic Farming or Horticulture or usage of biofertilizers or biopesticides or effect of the inorganic pesticides, etc. A student of Zoology may do a project on Aquaculture practices or animal husbandry or poultry or health and hygiene or Blood group analysis or survey on the Hypertension or survey on the prevalence of diabetes, etc.

The Report shall be limited to 8-10 pages.

Vegetable marketing plays a vital role in the new market arena as the demand for vegetable are those for the whole year where where as the crop is grown only for once the demand for the whole year will be grown once, but it as to be supplied vegetable marketing techniques have to be implemented so as to safe guard the interest of the consumer. As part of the programme a Community Service project has been under taken and has been used as a weapon to introduce the impact of vegetable marketing.

As part of the Community service programme the locality of M.V.P Colony has been chosen to face the role of introducing the transport of vegetable marketing and to know their problems and to prepare a report to the government, so as to induce with the difficulties faced by the locality and as part of the Community service project various steps in the locality have been visited and were asked about their difficulties they visited and were asked about they face and the advantage they gain over the other. A quest ionnaire has been prepared and were asked as per the questionnaire and the problems were out-told.

RE. vegetable market

RE. vegetable market has been an old and well established market in the locality of M.V.P Colony. It is has of

prominent place in the locality as its presence is known for years. The question has been answered as below

\* The price is fixed on the purchase price they get

\* The vegetable marketing helps them to improve and expand their business

\* The daily sales have been a way for their survival

\* The use the perishable goods as a wastage and will use to treat organic farming

\* The government has to take proper care of the improved competition and has to provide subsidy so as to help them

\* Vegetable marketing will be outsource to implement the techniques.

Charity vegetables ..

Charity vegetables has been a new business shop in a prominent place and has been intended with the corporate business with a view to interest safety and healthy food so as to implement the healthy and encouraged food the below Questionnaire has been answered as below.

\* The dating with Customer plays an important role as it is the most and prominent way of doing business.

\* The price is fixed by the margin of 5% on the purchase price as they will be at the part of Charity.

\* The daily sales will be set out side as they wanted to know about their business growth daily.

## Analyzing of local area

As part of Community service project the local market and the local vegetable shops have been visited as part of the Community service project. All the vegetable shops in the area have been visited and questionnaire as part of CSP noted down all the answers and were informed about the problems. A report has been long term possibilities that as to be set in order to enhance the community. The local area has been verified and the advantages and disadvantages they face are taken information as part of Community service project.

Through this Community Service project we implemented the skill of communication to communities

with the local people we imported to provide  
underresponsibility as the basic goal as we  
need to visit the local area and need  
to visit different kinds of people  
Common Culture skills played a vital role  
in the process of Community Service  
Project → Come to know how to deal  
with different kinds of people and  
how to face customers who have different  
mindsets.

Technically we haven't to do a  
business which has been a different  
phase to lead in life working under  
person has been differentiated from  
owning a business. The people have to  
themselves in order values and  
ethics largest through the Community  
service project

Community diversity. tradition ethics  
and values

In our values system and the principles  
that drive the people of the  
Community M.O.P Colony has been emb  
raced by the empowerment of  
women, self respect and ethical be  
havior of the citizens in the  
Area M.O.P Colony Corporate Area,  
with a high degree of integrity,  
and honesty and personal perf  
omance An whatever we do in inti  
grity He is practice in every aspect  
of our being. we believe that integrity  
and largest attitude in our  
strong approach towards, that society the  
people how have high quality deliver  
exercise which sets extra and  
Up graded to excellence

## Student Self-Evaluation for the Community Service Project

Student Name: B. Ashok

Registration No: 120130803028

Period of CSP: From: To: 9-9-2022 - 9-10-2022
