Instructions to Students for Community Service Project

Please read the detailed Guidelines on Community Service Project hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

Link:

<https://apsche.ap.gov.in/Pdf/Guidelines%20for%20the%20OJ%20Internship%20Community%20Service%20Project.pdf>

1. It is mandatory for all the students to complete 2 months (180 hours) of Community Service Project as a part of the 10-month mandatory internship/on the job training.
2. Consider yourself a committed volunteer in the community, you work with.
3. Every student should identify the village/community/habitation for Community Service Project (CSP) in consultation with the College Principal/the authorized person nominated by the Principal.
4. Report to the community/habitation as per the schedule given by the College. You must make your own arrangements for transportation to reach the community/habitation.
5. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow volunteers. Post your daily activity done and/or any difficulty you encounter during the programme.
6. You should maintain punctuality in attending the CSP. Daily attendance is compulsory.
7. You are expected to learn about the community/habitation and their problems.
8. Know the leaders and the officials of the community/habitation.
9. While in the project, always wear your College Identity Card.
10. If your College has a prescribed dress as uniform, wear the uniform daily.
11. Identify at least five learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Information about the community, including the realities and

problems of the society.

- Need for creating awareness on socially relevant aspects/programs.
 - Acquiring specific Life Skills.
 - Learning areas of application of knowledge and technologies related to your discipline.
 - Identifying developmental needs of the community/habitation.
12. Practice professional communication skills with team members, and with the leaders and officials of the community. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
 13. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
 14. At the end of Community Service Project, you shall be evaluated by the person in-charge of the community/habitation to whom you report to.
 15. There shall also be an evaluation at the end of the community service by the Faculty Guide and the Principal.
 16. Do not indulge in any political activities.
 17. Ensure that you do not cause any disturbance to the inhabitants or households during your interaction or collection of data.
 18. Be cordial but not too intimate with the people you come across during your service activities.
 19. You should understand that during this activity, you are the ambassador of your College, and your behavior during the community service programme is of utmost importance.
 20. If you are involved in any discipline related issues, you will be withdrawn from the programme immediately and disciplinary action shall be initiated.
 21. Do not forget to keep up your family pride and prestige of your College.
 22. Remember that you are rendering valuable service to the society and your role in the community development will become part of the history of the community.

CHAPTER 5: OUTCOMES DESCRIPTION

Details of the Socio-Economic Survey of the Village/Habitation Attach the questionnaire prepared for the survey.

The survey has been implemented successfully and the local markets in Venkojipalem has been enquired and cultures, either values of the locality have been upset. The local market said about their dis advantages.

Questioned prepared for the survey.

- * The price of the vegetable how they fix?
- * How they manage their life?
- * How they treat the perishable goods?
- * How government aid them with the facility?
- * How they fix the margin?
- * How to deal with customers?
- * How they treat slack days?

Describe the problems you have identified in the community

The community has been established and is well managed by the citizen of Although that the community is facing with problems that the includes the increase competition among the business people. They are has been and more than visiting in the locality.

Due to increase business competition, the sale has been gradually with low profits. On the other hand the prices are decreasing, as they are in a stage of profit competition. The increase competition has begin that introducing of the government has not been able control the. The problem solved control increase competition:

Short-term and long-term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

Short term action plan recommendation

- * The outlist of the existing business and to regulate the new and upcoming business
- * Vegetable at the low cost they gain margin
- * The government need to take action plan
- * Questions among the customers about the healthy food.

Long term action plan recommendation

- * The government has to regularly checked
- * The government has to conduct awareness programs on vegetable marketing
- * The government has to provide subsidy to the farmers to give them better healthy

Description of the Community awareness programme/s conducted w.r.t the problems and their outcomes.

The community awareness programme has to important and innovative step taken to impart communication skill within a student which is very important for their growth. The problems are known as we imparted this and their can solution for their problem.

The community awareness programme brought out the problems the locality is facing due talk of proper the rules and regulated market.

There can be both short term and long term goals to bring found by the community. The outcomes are independent of problems faced by the individual of using the vegetable.

Report of the mini-project work done in the related subject w.r.t the habitation/village.

A mini-project work in the related subject w.r.t the habitation/village. (For ex., a student of Botany may do a project on Organic Farming or Horticulture or usage of biofertilizers or biopesticides or effect of the inorganic pesticides, etc. A student of Zoology may do a project on Aquaculture practices or animal husbandry or poultry or health and hygiene or Blood group analysis or survey on the Hypertension or survey on the prevalence of diabetes, etc.
