I would also like to thank the faculty and staff of the institute, family members and my dear friends for their support to successful completion of the project.

# 1      =: ABSTRACT =:

This study aims to see how the implementation of Good Village Governance at the village level. Since village autonomy was granted through Lo. No. 6 of 2014 concerning villages, villages have been free to manage their government. The object of this research is Gora Pudi village, Anarapalli District. This study only focuses on implementing good governance in Gora Pudi village including in the principles of participation: indicator of managing Good Village Governance in Gora Pudi village. The findings of this study are that the village of Gora Pudi still has a low level of participation from the community regarding development and ideas given to the town itself. The transparency as part of the Gora Pudi village government was two ways utilizing the village website and installing billboards at strategic locations regarding the budget that has been used finally the accountability as part of the village.
