ACKNOWLEDGEMENT

I take this opportunity to express my sincere thanks to Mr. M Simhadri Naidu sir Principal of Mrs. A.V.N College Visakhapatnam, for giving me the permission to carry out the project work.

I take this opportunity to express my deepest gratitude and sincere thanks to my faculty guide Mrs. P Rajani Lecturer of English Department in Mrs. A.V.N college, for the valuable guidance and cooperation throughout the project work.

I would also like to thank the entire faculty members of the Department of Bachelor of Arts, their constant cooperation and mentoring at all stages without whom the project would have been a distant reality.

Finally, I would like to express my gratitude and thanks to my parents and friends whose unremarkable encouragement had helped me throughout my educational endeavour and to do this project work.

ABSTRACT

The meaning of the environment in simple terms is surroundings. The main purpose of this research is to enquire and understanding of what Kind of measures and policies are to get formulated in order to ensure environmental Protection. In India, the main factors that are causing environmental degradation on are, Industrialization, growth of urbanisation, expansion and massive intensification of agriculture and the destruction of forests. Environment includes, living and non-living components. The living components are the human beings, trees, plants, organisms, animals and birds, whereas the non-living components include, air, water and land. Any adverse change occurring within the environment is know as environmental pollution. The main area that have been taken into account include, historical perspective of the environment, environment quality, Environment Protection Act, 1986, laws formulated after independence, measures of environmental protection, environmental policies, causes of environmental pollution, benefits of natural environment, forests in India importance of natural resources.

Keywords:

Environmental Protection, Forests, Laws, Natural Resources, Policies, Pollution
