ACKNOWLEDGEMENTS

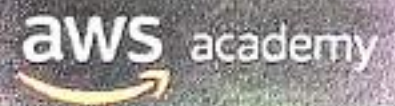

first of all, I would like to express my gratitude to Admighely to Enabling me to complete this report on "Blood test"

Importance of Blood testing

Successful completion of any type of project requires help from a number of persons

I have also taken help from different people from preparation of this report now, there is a little effort to show my deep gratitude to that helpful person

I convey my sincere gratitude to my Academic Head of all department of Chemistry of Mrs. AVN college without his kind direction and proper guidance this study would have been a little success. In every phase of project his supervision and guidance shaped this report.
