Instructions to Students for Community Service Project

Please read the detailed Guidelines on Community Service Project hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

Link:

<https://apsche.ap.gov.in/Pdf/Guidelines%20for%20the%20OJT%20Internship%20Community%20Service%20Project.pdf>

1. It is mandatory for all the students to complete 2 months (180 hours) of Community Service Project as a part of the 10 month mandatory internship/on the job training.
2. Consider yourself as a committed volunteer in the community, you work with.
3. Every student should identify the village/community/habitation for Community Service Project (CSP) in consultation with the College Principal/the authorized person nominated by the Principal.
4. Report to the community/habitation as per the schedule given by the College. You must make your own arrangements of transportation to reach the community/habitation.
5. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow volunteers. Post your daily activity done and/or any difficulty you encounter during the programme.
6. You should maintain punctuality in attending the CSP. Daily attendance is compulsory.
7. You are expected to learn about the community/habitation and their problems.
8. Know the leaders and the officials of the community/habitation.
9. While in project, always wear your College Identity Card.
10. If your College has a prescribed dress as uniform, wear the uniform daily.
11. Identify at least five learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Information about the community, including the realities and problems of the society.
 - Need for creating awareness on socially relevant aspects/programs.
 - Acquiring specific Life Skills.
 - Learning areas of application of knowledge and technologies related to your discipline.
 - Identifying developmental needs of the community/habitation.

12. Practice professional communication skills with team members, and with the leaders and officials of the community. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
13. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
14. At the end of Community Service Project, you shall be evaluated by the person in-charge of the community/habitation to whom you report to.
15. There shall also be evaluation at the end of the community service by the Faculty Guide and the Principal.
16. Do not indulge in any political activities.
17. Ensure that you do not cause any disturbance to the inhabitants or households during your interaction or collection of data.
18. Be cordial but not too intimate with the persons you come across during your service activities.
19. You should understand that during this activity, you are the ambassador of your College, and your behavior during the community service programme is of utmost importance.
20. If you are involved in any discipline related issues, you will be withdrawn from the programme immediately and disciplinary action shall be initiated.
21. Do not forget to keep up your family pride and prestige of your College.
22. Remember that you are rendering valuable service to the society and your role in the community development will become part of the history of the community.

CHAPTER 1: EXECUTIVE SUMMARY

The community service report shall have only a one-page executive summary. It shall include a brief description of the Community and summary of all the activities done by the student in CSP and five or more learning objectives and outcomes.

I visited the Araku valley for the Community service project. It is located on Visakhapatnam.

I went to Araku valley for awareness of the people regarding covid-19 vaccination & know how many people are have been vaccinated. First day I went to a house & ask several questions regarding vaccination and explain the advantages of vaccination and also disadvantages of vaccination and also disadvantages of vaccination if they are not vaccinated.

In this area so many people are (asked) irritate me & my friends are advice that people and collect the questionnaire.

Objectives:

1. To change the illiteracy people to become literate people
2. Provide equality, it gives equality to all people living in a territory. It gives equal chances and opportunities.
3. To motivate people: programs are working for the motivation of community people.
4. Change thinking: It gives new directions to the changing life style to the positive thinking about the people.

5. To create: It motivates the attitude of people to participate in the concrete for the community development.

Out comes:-

- x Greater sense of personal efficacy, personal, spiritual growth.
- x Greater inter personal development. particularly the ability to work well with others and build leadership and communication skills.

By this, long-term community service project is very useful in my life by this

I learned several skills really it is very useful to students. Community service project is helpful to know community history so that I have an idea of community and it is useful to tell my friends & family members.

finally fifth week is completed my CSP manual book.

CHAPTER 5: OUTCOMES DESCRIPTION

Details of the Socio-Economic Survey of the Village/Habitation. Attach the questionnaire prepared for the survey.

I am selected Anaraku valley for my Csp program doing this community service project I went to the community for few weeks and observe the social activities economic value of the community in the the people are very healthy and safety the people using good habits and social distance. The health procedure and did not have general knowledge because they are illiterate. me and friends are give the information regarding. E Advantages, disadvantages to the people.

In this community some cultural events are conducted in every year during festivals. The traditional culture is maintained till for today. The people at most are gold shop owners and some are do where work regarding small like iron shop market etc.

Finally the people are very polite in most of this some are aware and illiterate.

Describe the problems you have identified in the community

I observed the community and write the 2 problems i.e water leakage for this 2 write a letter to Gram Panchayat office to solve this 2 problems in community.

for few days the higher authorities were responded and specify the problems. so the people were quarrel among themselves for unavailability of water.

Another problem, observed in the community is Garbage, for this community only 100M³ Garbage box available but the people are more so due to the unavailability of Garbage boxes the people suffering & the community has bad smell so the community had facing mainly this 2 problems.

Short-term and long term action plan for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

I observed the community and write the 2 problems
i.e. water, Garbage for this 2 write a letter to
panchayat office Anaku valley to solve this
problem in community.

for few days the higher authorities
were responded and solve the problems that
feed the community the people are very
happy for solve this problem feel very happy
Thank you to Andhra Pradesh Government &
Council for implementing Community service
Project (CSP) due to this program every student
have responsibility to one community and a
responsible citizen.

Especially me & my friends special
greetings to our chief minister Sri Jagam
Mohan Reddy for appearing and implementing
this CSP programme.

Description of the Community awareness programme/s conducted w.r.t the problems and their outcomes.

Community awareness programme (CSP) is the one of the best programme have been implemented by Andhra Pradesh.

Due to this CSP programme every student of degree has visited the one community and observe all problems survey of that community.

So, every student knows the socio-economic survey of the community history. It is a very best programme. After the completing of survey they have the problems and written a letter to higher authorities to solve that problem for that every student knows the oral communication and when time to speak people in which way to advice the citizen community.

So, the people were very happy to solve the problems in their community to that the students must happy, the government also know the state problems in fully for diploma students CSP projects for the government also action regarding community problems.

We thank to our honorable chief minister Sri. Jagannathan Reddy garu. for implementing this community service project. Special greetings to Andhra Pradesh State Council of Higher Education (APSCHE).
