

**SURVEY ON CLEANLINESS AND HYGIENE AT POORNA
MARKET AREA**

BY

GEMMELI RAMYA SRI

REGD.NO:: 720130805230

Estd : 1860

**PROJECT WORK SUBMITTED TO MRS. A.V.N COLLEGE,
AFFILIATED TO ANDHRA UNIVERSITY, VISAKHAPATNAM FOR
THE PARTIAL FULFILMENT OF DEGREE OF**

BACHELOR OF SCIENCE

2020 - 2023

DECLARATION

I, GEMMELI RAMYA SRI, Student of III B.Sc – C.B.Z, Mrs. A.V.N College, affiliated to Andhra University here by declared that this project entitled “Survey on Cleanliness and Hygiene at Poorna Market Area” is a genuine work carried out by me under the guidance of Mr.P.Venkata Rao, Lecturer in Chemistry, and P.Krishna Kumari, HOD Mrs.A.V.N College, Visakhapatnam, Andhra Pradesh. Furthermore, this project work was not submitted to any other institution or University for awarding any Degree.

Instructions to Students for Community Service Project

Please read the detailed Guidelines on Community Service Project hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

Link:

<https://apsche.ap.gov.in/Pdf/Guidelines%20for%20the%20OJT%20Internship%20Community%20Service%20Project.pdf>

1. It is mandatory for all the students to complete 2 months (180 hours) of Community Service Project as a part of the 10 month mandatory internship/on the job training.
2. Consider yourself as a committed volunteer in the community, you work with.
3. Every student should identify the village/community/habitation for Community Service Project (CSP) in consultation with the College Principal/the authorized person nominated by the Principal.
4. Report to the community/habitation as per the schedule given by the College. You must make your own arrangements of transportation to reach the community/habitation.
5. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow volunteers. Post your daily activity done and/or any difficulty you encounter during the programme.
6. You should maintain punctuality in attending the CSP. Daily attendance is compulsory.
7. You are expected to learn about the community/habitation and their problems.
8. Know the leaders and the officials of the community/habitation.
9. While in project, always wear your College Identity Card.
10. If your College has a prescribed dress as uniform, wear the uniform daily.
11. Identify at least five learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Information about the community, including the realities and problems of the society.
 - Need for creating awareness on socially relevant aspects/programs.
 - Acquiring specific Life Skills.
 - Learning areas of application of knowledge and technologies related to your discipline.
 - Identifying developmental needs of the community/habitation.

12. Practice professional communication skills with team members, and with the leaders and officials of the community. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
13. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
14. At the end of Community Service Project, you shall be evaluated by the person in-charge of the community/habitation to whom you report to.
15. There shall also be evaluation at the end of the community service by the Faculty Guide and the Principal.
16. Do not indulge in any political activities.
17. Ensure that you do not cause any disturbance to the inhabitants or households during your interaction or collection of data.
18. Be cordial but not too intimate with the persons you come across during your service activities.
19. You should understand that during this activity, you are the ambassador of your College, and your behavior during the community service programme is of utmost importance.
20. If you are involved in any discipline related issues, you will be withdrawn from the programme immediately and disciplinary action shall be initiated.
21. Do not forget to keep up your family pride and prestige of your College.
22. Remember that you are rendering valuable service to the society and your role in the community development will become part of the history of the community.

ACKNOWLEDGEMENTS

primarily I would thank god for being able to complete this project with success. Then I would like to thank my Science teacher Mr. VENKAT RAO whose valuable guidance has been the successful suggestion and his instructions has served as the major contribution to the completion of cleanliness and hygiene project.

Then I would like to thank my parents and friends whose helped me with their valuable suggestions and guidance has been helpful in various places of the completion of the project.

last but not least I would like to thank my class mate who helped me a lot.

My sincere efforts have made me to accomplish the task of completing this project.

CHAPTER 1: EXECUTIVE SUMMARY

The community service report shall have only a one-page executive summary. It shall include a brief description of the Community and summary of all the activities done by the student in CSP and five or more learning objectives and outcomes.

We should always keep our surroundings neat and clean

It is our duty to keep our country clean

The main duty/goal of cleanliness is health

It avoids the spreading of dirt

Cleanliness is very important for personal hygiene and a healthy environment

We must take responsibility for cleaning our houses and society.

A clean and health society is very essential for the progress of the nation

Cleanliness is a habit

We should always through garbage is dustbin

We all must follow cleanliness rules and regulations

Cleanliness is very important in our life

Cleanliness keeps us healthy

Our cleanliness can save the environment

Cleanliness is a good habit

CHAPTER 2: OVERVIEW OF THE COMMUNITY

- About the Community/Village/Habitat including historical profile of the community/habitat, community diversity, traditions, ethics and values.
- Brief note on Socio-Economic conditions of the Community/Habitat.

Solid waste is any material that is primarily not a liquid or gas and is unwanted and/or unused, discarded by its owner and can be from domestic, commercial or industrial operations.

Solid waste management entails the collection, transportation and disposal. Sweeps cleanliness is both the abstract state of being clean and free from germs, dirt, trash or waste, and the habit of achieving and maintaining that state.

Cleanliness is of ten achieved through cleaning. Culturally, cleanliness is usually a good quality, as indicated by the aphorism:

"cleanliness is next to godliness" and may be regarded as contributing to these ideas such as health & beauty.

As an assertion of moral superiority or respectability, cleanliness has played a role in establishing cultural values, its association to social class, humanitarianism and cultural imperialism.

Cleanliness is linked with proper hygiene by getting involved in community service at a young age. Students benefit in a lot of ways.

CHAPTER 3: COMMUNITY SERVICE PART

Description of the Activities undertaken in the Community during the Community Service Project. This part could end by reflecting on what kind of values, life skills, and technical skills the student acquired.

Develop an increased sense of social responsibility a global view of social and a heart for "giving back" and a helping others.

→ ACTIVITIES DONE:

1. Survey conducted in area
2. project implemented in area
3. conducted community awareness campaign.
4. created project report.

→ VALUES LEARNT:

1. Cooperation
2. compassion
3. Gratitude
4. Morality
5. Respect
6. Kindness
7. Courage

→ TECHNICAL SKILLS LEARNT:

1. Data Analysis
2. Writing
3. project management
4. Analytics
5. Team work
6. Research

ACTIVITY LOG FOR THE FIRST WEEK

DAY # DATE	BRIEF DESCRIPTION OF THE DAILY ACTIVITY	LEARNING OUTCOME	Teacher In-charge Signature
Day - 1	"Introduction and objectives" "Sampling exercise"	We are keeping our surroundings clean also enjoying the day and work.	Ms
Day - 2	"Empowerment of women campaign" conducted	Given some motivation related to women to be independent and self-reliant.	Ms
Day - 3	"Green earth-water fit" "Green" campaign conducted	Environment is being polluted and approached to save it.	Ms
Day - 4	"Digital in school" "Computer" conducted	Given awareness on digital equipment and how to use digital in school.	Ms
Day - 5	"Dry soil and wet soil" "Soil conservation" "Composting" conducted	They learned about the environmental benefits of Composting dry and wet soil.	Ms
Day - 6	"Disaster survival strategies" "Computer" "Conducted"	They learned about strategies near water resources like fire, flood, earthquake, etc.	Ms

RECENTLY REPORT

WIKI - 1 from Dr. A. H. 1-17-10 Dr. M. 1000...

Objective of the Activity: To collect Ecological Data

Detailed Report:

In this field work, we monitor water from well # 10 (located in the community) since good in getting new water which is under investigation, multiple sampling, random sampling, etc. Selected type clean water and hygiene.

Skills in the domain:

check and they are not placed and that we understand a can enter through there

Blindness: Current and multiple data? They are there to prevent the entry of birds and insects as well check that they do not have holes or are broken

• Buckets not always in good shape when used
• No set hour door or window open without protection
• prevent the entry of birds insects

• Always wear boots after handling garbage in water

ACTIVITY LOG FOR THE SECOND WEEK

DAY & DATE	BRIEF DESCRIPTION OF THE DAILY ACTIVITY	LEARNING OUTCOME	PERSON IN-CHARGE (signature)
Day - 1	"Health and Hygiene" Campaign conducted	Given some remarks regarding health & hygiene to avoid disease	<i>[Signature]</i>
Day - 2	"Waste removal drive to Sapthagiri" campaign conducted	Given some awareness about Sapthagiri road and know of them to practice	<i>[Signature]</i>
Day - 3	"Prevention of smoking by school" campaign conducted	Given some awareness that smoking is bad and should not be done	<i>[Signature]</i>
Day - 4	"Anti plastic pollution" campaign conducted	This campaign is to help people understand the impact of plastic pollution to reduce it	<i>[Signature]</i>
Day - 5	"Plant something green" campaign conducted	This campaign is to encourage students to plant trees and plants around the school	<i>[Signature]</i>
Day - 6	"Given practical notes" campaign conducted	Given some awareness about the importance of practical work in science and health	<i>[Signature]</i>

WEEKLY REPORT
Week - 2 From Dr. M. Chitra M. Ph.D.
Department of Taxation
Bharathidasan Institute of Management

In this second week we discussed
continued focusing the monetary budget in policy
when money supply and interest rate are
of expansion with short term rate controlling. Factors
in which the expansion are

- There are 4 factors
- They do not have expansion in the social media now
- Every country has been seen only social growth.
- As an expansion of value expansion at opportunity
character has played a role in reducing investment.
Cultural value is relation to social class development.
- On a general level expansion in the demand for higher
and diverse production
- Investing is the way of reducing physical demand
usually with labor and often some kind of supply of
diversified
- Planning production one of the almost importance
in many forms of manufacturing.

ACTIVITY LOG FOR THE PROJECT WEEK

DAY & DATE	BRIEF DESCRIPTION OF THE DAILY ACTIVITY	LEARNING OUTCOME	PROFESSOR'S SIGNATURE
Day - 1	Project implementation plan is made.	Data - analyzing critical thinking problem-solving.	[Signature]
Day - 2	A clean body is a healthy body.	keeping our body clean will protect from several diseases and health.	[Signature]
Day - 3	On the 4th week visited the kitchen and cleaned again on the stove top and burner.	at our hygienic	[Signature]
Day - 4	Application of procedure from home. From ready to eat the rice clip normal.	within 20 min	[Signature]
Day - 5	Searching with internet for getting a location for selected community.	Search and GMA	[Signature]
Day - 6	All the activities is reviewed & checked and implementation is written in long hand.	Worksheet	[Signature]

WEEKLY REPORT

Week - 3 (17th April - 23rd April)

Objective of the Activity Done:

Environmentally responsible consumption

Directed Report:

In the third week we have conducted the following:

1. Campaigns in school areas during Science week and also around school and awareness on Green aspects so that they can change their habits and help in waste generation development.

In waste segregation clean and green the standard.

Health and hygiene the awarded people to avoid diseases. Although waterlessness the awarded. There about water saving habits.

"Soak and Sit" Serve as secondary chamber serving effluent from a primary Sanitation technology for the treatment of waste water and gradually after the effluent to percolate into the surrounding soil.

"Plastic Pollution" is the accumulation of plastic objects and particles in the earth's environment. Not addressably affects human and life and also habitat.

The main goal of this campaign will be reduce water pollution caused by toxic chemicals stemming from the global trade increasing by recycling.

ACTIVITY LOG FOR THE FIFTH WEEK

DAY & DATE	BRIEF DESCRIPTION OF THE DAILY ACTIVITY	LEARNING OUTCOMES	Person In-Charge Signature
Day- 1	organising the primary data collected through focus group	coding data analysis	Yes
Day- 2	To collect demography data	data analysis decisions	Yes
Day- 3	All the collected data & the information is shared to the members	with our members created small cell also from I scientific	Yes
Day- 4	After that all information was written in case programme	hand writing skills	Yes
Day- 5	Programme book is made for per	usage of mobile	Yes
Day- 6	I think the project completed & share to with information	critical thinking	Yes

DIREKTLY REPORT

Week - 4 From Dr. SMC-11:10 to 11:15:25

Objective of the Activity Done: Project Implementation in rural area

Detailed Report: In this fourth week we have our project's

working now early when the implementation of project into
did acquiring several plants, even development goals
have to start food materials in rural poor area.

The characteristics and importance very

important in today's society for both health and social
economic keeping you hands and body clean. It very important
to stopping the spreading and spread of illness and infection.
The Group leader doesn't just benefit you health if you
study project have several quotes.

personal hygiene is also an for a good body. We good
understand washing, washing your hands, brushing your teeth.
More. Every day come into contact with millions of germs &
quarantines and viruses. They can layer on your body with
some cases they may mean you sick.

Personal Hygiene

If we understand if you wish to have a healthy life
when you taken purpose of your hygiene, cleanliness
and current will automatically come to your decision
else.

ACTIVITY LOG FOR THE THIRD WEEK

DAY & DATE	BRIEF DESCRIPTION OF THE DAILY ACTIVITY	LEARNING OUTCOME	PERSON IN-CHARGE SIGNATURE
Day- 1	Organizing the primary data collected through survey	sorting data analysis	W
Day- 2	To collect demography data through questionnaires	data analysis	W
Day- 3	All the collected data is the information is shared to our member	with our member revealed that all work is verified	W
Day- 4	After that all information was written in our program	found existing work	W
Day- 5	Programmer built it make site page	Usage of mobile	W
Day- 6	I visited the project completed I learn so much information	critical thinking	W

STUDENT REPORT

Topic - A Report on the Status of the

Objective of the Activity Done: Project Report writing

Thesis Report: In this report, we have collected data and analyzed it. The data collected during the survey, the primary data, has been analyzed and the primary data has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed.

Study: The data collected during the survey, the primary data, has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed.

Conclusion: The data collected during the survey, the primary data, has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed.

Summary: The data collected during the survey, the primary data, has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed. The primary data has been analyzed and the primary data has been analyzed.

CHAPTER 6: ORTHOGONAL DECOMPOSITION

Details of the Secular-Resonance Theory of the VMJag/Haberman. Attach the questionnaire prepared for the survey.

PROBLEMS TO SOLVE:

1. Explain the above system of forces in full detail. There is high chance of forces to kill even during long run at the start by water tank get full of water vapor and some water flow through. (In. change in water the chemical)
2. Illustration about switching on. (Sensory, time and body rest and then)
3. Mapping garbage and various water wastages by not disposing of them properly
4. Open defecation
5. Open Sewerage
6. Dirty contaminated water
7. Mosquitoes are a big problem
8. Water is water by negligence
9. Open defecation. If this is not taken seriously, it is very dangerous health. This is not a matter of life and death will enter the water and food and then solve the water and spread system

Describe the problems you have identified in the community

SOLUTIONS FOR THE PROBLEMS IN ZAIRIYAKO

- * proper drainage system should be laid in area.
- * Some clinics are not having dust bins
- * Some people are still using very poor Sanitary Conditions
- * veterinarians and ASHA workers should educate and guide them about health and hygiene
- * I have never seen biocapsule but need to purchase such materials to area and arrange cleaning and binning the dirty stuff
- * I suggest ASHA to take necessary actions
- * making them not working properly and the shortage of new locally made handloom.
- * It has become difficult as to deal these due to the exceptional demand for them that keep up growing.

Thus far, I request you to solve this problem as soon as possible your quick action will be highly appreciated

Description of the Community awareness programme's selected WVI OAs
problems and their outcomes.

COMMUNITY AWARENESS PROGRAMME

An total & temporary awareness programme
was conducted in public places.

A. Awareness and Hygiene

1. Human Engagement

2. Digital in hand

3. Any matter to get each household

4. Growth of Hygiene

Writing and signage programme to bring

awareness among local and to have others surrounding
and have healthy and healthy habits

Human Engagement to the awareness program

- some of the tasks were done in areas and areas and
by this programme we needed to get to the area

digitally content and to find them in area
based digitalisation programme was conducted to

was the importance of digitalisation in day
to day life and about an awareness program

was in cleanliness and hygiene

Short-term and long-term action plans for possible solutions for the problems identified and that could be recommended to the concerned authorities for implementation.

Community Awareness Programme
can include included various programmes

we have discussed a number of awareness on cleanliness on the first half of the survey and decided on involvement on the Railway. Now asking some people

first half of the survey we discussed about survey and the analysis of the data and the demographic data collected.

And second half of the survey we discussed about service programmes and data sets. We record about the collected data sets. We have asked on the topics.

Finally survey has been ended in a detailed explanation on the cleanliness of Hygiene.

Final report given in the college after completion of the project and has been ended up in the survey.
