

b. No

CHAPTER- 5 :

FINDINGS :

- Maximum employees have account in saving deposits as compared to fixed, current account etc.
- Many customers are using online banking to fast and easy ways.
- More customers are thinking our banking industries is not growing up to mark as compared to others countries.

Employees also think that if there is more reformation in banking sector than there will be increased in customer satisfaction.

Loans financial services are mostly uses by the customers.

More customers want to growth rapidly in banking industries.

CHAPTER – 5) CONCLUSION AND FINDINGS

CONCLUSION :

HDFC is first life insurance Company in India. It has businesses spread out across the globe. The company faces a large amount of competition. The Compensation Committee reviews the overall compensation structure and policies of the Bank with a view to attract, retain and motivate employees, consider grant of stock options to employees, reviewing compensation levels of the bank's employees.

The project was very satisfying experience for us, not only practically and academically. It also helped us in enriched our knowledge also.

The Bank's compensation policy is to provide a fair and consistent basis for motivating and rewarding employees appropriately according to their job/role size, performance, contribution, skill and competence.
