Review - Incremental improvement Teaching learning process

IQAC insists on the use of technology, platforms, systems and digital content to extend and enhance student-centered learning as well as to ensure the quality of teaching-learning process. Orientation classes on 'ICT Tools for online teaching' were provided for the teachers by IQAC. Till 2019 the Less number of Lecturers used ICT Enabled Teaching. During the Covid-19 pandemic situation, IQAC ensured effective curriculum delivery by enabling the teachers to use platforms like Google Meet, Zoom, Microsoft Teams, You-Tube videos etc.
