

Mrs. A.V.N COLLEGE
(NAAC ACCREDITED 'A' GRADE)
VISAKHAPATNAM

6.1.1. The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

The curriculum has been revamped focussing experiential learning. The institution has delegated decision-making authority to various departments. The institution has set up various committees, including the Academic Council, Financial Committees, College planning and Development Council, Grievance Redressal Committee, etc to take place its planned activities smoothly contributing to the holistic development of the college. The members of these committees include faculty members, students and representatives from the administration. The college has identified specific goals and objectives for the short-term and long-term and has devised strategies to achieve them. The constructional growth has been aligned with the institution's vision and mission of providing quality education to its students. The college has established a robust system of institutional governance.
