

Mrs A V N College Visakhapatnam

Timely redressal of Student Grievances

Students' feedback boxes are placed in the college at four places. They can write their grievances on paper, without mentioning their names, and drop them into the boxes. The feedback boxes are opened every evening in the presence of the Principal and grievance redressal committee. The usual grievances are related to facilities, teaching and learning. The grievances are addressed instantly regarding teaching learning and zero tolerance, on the same day. The grievances regarding facilities are sent to the administrative officer for a time bound action. The grievances regarding scholarships are sent to SC/ST, OBC committees for attending their problems.
