Organised by
Department of
Physics, Electronics & Computer Science
Mrs. A.V.N.College, Visakhapatnam
NAAC - 'A' Grade

<p>About Vizag</p> <p>Visakhapatnam also known as Waltair / Vizag, is the administrative headquarters of Visakhapatnam district in Andhra Pradesh. It has been named as the "City of Destiny". The city is known for its scenic beauty with greenery, sandy beaches adjoining the eastern ghats, enclosing a natural harbour, and hosts some of the most beautiful natural and man-made tourist spots right from Araku Valley and Borra Caves to Submarine Museum and TU 142 Aircraft Museum, making it a tourist hub of A.P.</p> <p>Visakhapatnam is cosmopolitan, owing to the presence of Eastern Naval Command and Public Sector Undertaking Companies like Visakhapatnam Port Trust, RINL, HPCL and NTPC, in addition to SEZ, ITSEZ, Pharma city and Gangavaram port.</p> <p>The city has good road, rail and air connectivity. It has recently been made the headquarters of South Coast railway zone. Visakhapatnam International airport is one of the busiest airports with daily flights across India and International locations like Singapore, Malaysia, Thailand, Sri Lanka and Dubai.</p> <p>National research institutes in Visakhapatnam include NSTL, BARC, NIO, CMFRI, CIFT, etc. IIM, Indian Maritime University, Indian Institute of Petroleum and Energy, Andhra University, Damodaram Sanjeevayya National Law University are some of the premium educational institutes of the city.</p> 	<p>About Our College</p> <p>Mrs. A. V. N. College, Visakhapatnam is one of the oldest colleges in India established by late Sri. Ankitham Venkata Narasinga Row in the year 1860, to cater to the education needs of east coast of India. He was a zamindar of north Andhra Pradesh, revenue officer and above all a great scientist who owned his astronomical observatory at Visakhapatnam and associated with Royal Astronomical Society, UK. The college is located in a sprawling 11 acres land in the heart of the city of Visakhapatnam (City of Destiny).</p> <p>Mrs. A.V.N.College is a government aided college under the Government of A.P, since formation of undivided Andhra Pradesh in 1956. It has been recognised under section 12(b) and 2(f) of UGC since the inception of University Grants Commission in the year 1956, and is permanently affiliated to Andhra University. The college has been reaccredited (3rd Cycle) by NAAC with "A" grade in September 2017. The college is under RUSA 2.0. The chairman of the management committee is the Collector and District Magistrate (at present: Shri.V.Vinayachand, IAS). Mrs. Indrani Jagga Row, popular social worker, and member of the donor family, is the Vice-Chairperson and Shri.Adeep Bhanoji Row is the Correspondent of the college.</p> <p>Some of the illustrious alumni of the college are Sir C.V.Raman (the only Nobel laureate in Physics from India), Padmavibushan Prof. C.R.Rao (the world renowned statistician), Sri Sri (popular Telugu poet) Alluri Sitarama Raju (the great freedom fighter from A.P), Sri.L.V.Subramanyam, IAS (Present Chief Secretary Government of AP) Sri.K.J.Rao (former Secretary, Election Commission of India), Sri. Chaganti Koteswararao (popular preacher of Hinduism). All the mayors of city of Visakhapatnam, former and present judges of High Court, many IAS and IPS officers, professors, and some popular film stars are the alumni of this 158 year old institution.</p> <p>The college is with 14 departments in UG & PG put together, 72 members of faculty and more than 3000 students.</p>	<p>About the Conference:</p> <p>This conference aims to bring together the academia, industry and NGOs involved in disaster management, to exchange their views, share their experiences and be informed about the latest developments and policies of the government. We hope that the conference would also serve the purpose of inspiring students, young faculty members and researchers to undertake research in the field of disaster management.</p> <p>Objectives of conference:</p> <ul style="list-style-type: none"> • Create awareness and alertness at all levels. • Promote scientific temper on "disaster management" in students, faculty, researchers and community. • Reduce the impact of disasters through disaster preparedness. • Provide a platform to stakeholders to participate in discussion on disaster risk reduction. • Empower the community to face the challenges of disaster management. • Discuss the application of Science & Technology in disaster management. • Examine the role of government (central & state), NGOs and local bodies in mitigation, preparedness, response, rehabilitation and recovery. <p>Sub-Themes:</p> <ul style="list-style-type: none"> • Disaster - Types and their impacts • Status of disaster management in India. • Applications of Science and Technology in disaster management. • Frame works and strategies related to disaster management.
