## **ACKNOWLEDGEMENT**

A successful project report is not the result of sole effort of an individual.

The present study has been carried out with the co-operation and contribution of many. To whom I am very much grateful.

Firstly, I acknowledge with a deep sense of gratitude, the inspiration, guidance and help I received from my Project Director Mr.P.Gandhi , Professor of Statistics, Mrs. AVN College, Visakhapatnam, for his stimulating and inspiring guidance and encouragement throughout the progress of this project work.

It is my duty to express my thanks to Mr.P.Gandhi, Head of the Department Lecturer in Statistics, Sri Appalaraju Lecturer in Statistics, Mrs.AVN College for their valuable comments, suggestions which are very useful for the preparation of this project work.

I am also thankful to Central library, Mrs. AVN College to permitting me to go through and collect relevant information from books and research articles.

I am also extending my thanks to co-students who are doing project work under my project Director for their co-operation.
