Sri.T.Krishnababu IAS, Chairman, Visakhapatnam Port Trust, who had attended the college's 158th Founder's day celebrations has expressed his willingness to extend VPT's CSR initiative towards developing teaching – learning infrastructure to enable improvement of soft and communication skills of the students. Taking cue from the chief guest's words, the management committee of the college directed IQAC committee to discuss the above matter and arrive at some resolutions.

After detailed discussions with all the stakeholders, IQAC (Internal Quality Assurance Cell) resolved the following in its meeting held on 24.01.2019 to request the Visakhapatnam Port Trust for extension of their CSR funds towards the provision of below given facilities.

- 1. English language lab:** The Language Lab is a powerful application that helps the students to understand and confidently communicate. It helps students in enhancing English understanding, speaking and writing skills and enables their career development.
Estimation: 30 new computers with audio and visual equipment (English language lab equipment) @ Rs.40,000 per system. The total estimation is **Rs.12,00,000.**
- 2. Computers for Library:** The library of our college consists of about 70,000 books including rare collections. In the digital age conventional libraries are being transformed into digital libraries with e-learning resources. Minimum 15 computers with internet facility are the need of the hour for staff and students to access e-books and e-journals.
Estimation: 15 new computers @ Rs.35,000 per system. The total estimation is **Rs.5,25,000.**
- 3. Computers for Commerce computer lab:** The computer laboratory in Commerce department consists of 30 systems to train our commerce students in MS-Office, Tally and other curriculum related accounting software. Existing systems are with very old configuration and are not able to meet students' needs. Hence there is a requirement for 30 new computers with licensed versions of accounting software.
Estimation: 30 new computers with licensed accounting software @Rs.38,000 per system. The total estimation is **Rs.11,40,000**

4. **Solar power plant:** Lot of power is being consumed to meet the electricity needs of our vast campus and much difficulty is being faced to meet the power expenses. To save expenses on power and go green, establishment of a solar power station on roof tops of the existing college buildings is being planned.
Estimation: For 20KW solar power plant estimation is **Rs.20,00,000.**
5. **Digital class rooms:** Digital class rooms have become the need of the day in modern class room teaching. Conversion of 3 conventional class rooms into digital class rooms is being planned.
Estimation: For 3 digital class rooms estimation is **Rs.15,00,000.**
6. **100 Student' tables:** Required 100 student' tables for class rooms.
Estimation: For 100 students' tables Rs.5,97,000.
7. **Instruments for Chemistry laboratory:** 10 Digital PH meters, 10 Digital Conductometers, 10 Digital Potentio meters are required for taking up practical classes to students of final semester
Estimation: Total estimation for the above mentioned instruments is Rs.4,50,170
8. **Water cooler:** To provide clean and cool drinking water to our students we require 6 water coolers.
Estimation: For 6 water coolers @Rs60,000 per cooler, the total estimation is **Rs.3,60,000.**
